Dear Mr Say

Re: Community Award

On behalf of the Great Western Air Ambulance Charity I wish to thank you for the Community Award in the sum of £250.00 – it is greatly appreciated.

This is a substantial sum of money which will be of great benefit to GWAAC – as you may know a new helicopter base is being developed in the north of Bristol; it will provide excellent facilities together with an emergency air ambulance service which will be second to none. The base should be operation by the end of this year.

I really cannot thank you enough for the part you are playing in helping to make this possible.

Yours sincerely
